MOAA Scholarship Fund Educational Assistance Program
Scholarship in Memory of Deceased Members
PO Box 95755
Las Vegas, NV 89193-5755

Dear Donor,

I would like to extend my gratitude to all involved in the MOAA organization's Educational Assistance Program for making the Scholarship in Memory of Deceased Members through 2013 possible. I am honored to be chosen as designated donor for this opportunity and deeply appreciate the support of this organization.

I am a student in my second year of Dental Hygiene school working towards becoming a registered dental hygienist. The financial assistance you provided will be tremendously helpful to me in defraying my educational expenses. With the increasing costs of college education, funding my career goals would not be possible without the help of organizations such as MOAA.

As the child of a deceased military father, receiving a scholarship in my father's name means a great deal to me. Thank you for your contribution to my education, I appreciate it more than I can express in words.

Sincerely,
Sage
