Dear MOAA,

My name is Ryan. I was one of the privileged AFJROTC Cadets that attended your banquet dinner this past September. I would like to say thank you for such a memorable night. As a cadet who wants to serve my country as a officer in the USAF as a Firefighter, I appreciate everything everyone at MOAA has done for our Country, and for us as future officers. The \$250.00 scholarship that you generously awarded me will be going to help pay for my college tuition/room and board, as I inspire to attend Colorado State University in Fort Collins, Colorado. The night of the banquet is one I will never forget. I remember getting in the car and telling my mother, "I think that was one of my all time favorite JROTC events I have ever attended." I was truly inspired and motivated to pursue a career in the military as a officer. I have always known I want to serve my country and my community, the problem was I never knew how I wanted to do so. After the MOAA dinner I know I am making the right decision.

Thank you all for your service and consideration for this award.

**Sincerely,
Ryan**
