Dear Southern Nevada Chapter,

Thank you so much for awarding me The Lt Col Henry Rureska, USAF-Ret. and Mrs. Hope L. Rureska Yake Memorial Designated Scholarship. I am currently attending Arizona State University and studying Business Data Analytics within the W.P. Carey School of Business. After college, I hope to work as a computer information analyst on the management and business side. Your careful consideration and immense kindness are a great help in supporting me in achieving my goals and my aspirations with college and beyond. Coming from a family where my father was a naval aviator has put me through hardships with moving and constantly making new friends and connections, and has prepared me physically and mentally for college. Your kindness has prepared me emotionally, by knowing that others have my back and are ready to support me here at Arizona State University. Thank you very much!
